Grape Vines,

Owing to the increasing demand for grape vines we have enlarged our facilities for propagating the same until we will have for the coming Fall's trade a larger stock than ever before. Not only the standard varieties, such as *Concord*, *MARTHA*, *Hartford*, *Ives*, *Delaware*, *Iona*, &c.; but also, most of the rare and choicer varieties now in vogue are grown largely. We annex a few of the leading ones, viz.: *Croton*, *Senasqua*, *ROGERS'* and *Arnold's Hybrids*, *Allen's Hybred*, *Rebecca*, *Eumelan*, *Walter*, &c.

Our SEMI-ANNUAL TRADE-LIST will be issued in August, giving varieties and prices in full.
